L'IMPORTANZA DEL DETTAGLIO COME STILE DISTINTIVO

THE IMPORTANCE OF DETAIL AS A DIFFERENT STYLE

Perché ci si innamora? Esiste una risposta a questa domanda? Noi da oltre vent'anni siamo innamorati della bellezza. La cerchiamo ovunque la interpretiamo e le ridiamo vita in nuove forme e dimensioni. Ogni fibbia, ogni accessorio **BYMORA** è ispirato ad un viaggio, ad un incontro, ad un sogno. Un pezzo unico, come ognuno di noi. Un segno forte e distintivo. Uno strumento di bellezza e seduzione che ci svela agli occhi degli altri, che ci distingue e che celebra la nostra unicità, raccontando, con eleganza, personalità, carattere e creatività, chi siamo davvero.

*Why do we fall in love? Is there an answer to this question? For more than twenty years we have been in love with beauty. We look for it everywhere, we try to understand the values and we take new life into it with new forms and dimensions. Every buckle, every **BYMORA** accessory is inspired by a journey, an encounter, a dream. A unique item, like every one of us a strong, different symbol. An instrument of beauty and seduction that reveals us to the eyes of others, which sets us apart and celebrates our uniqueness, telling people who we really are with elegance, personality, character and creativity.*

UN OMAGGIO AL MARE E ALLE SUE AFFASCINANTI CREATURE IN UNA COLLEZIONE DI PEZZI MAESTOSI

A GIFT TO THE SEA AND ITS FASCINATING
CREATURES IN A COLLECTION OF MAGNIFICENT PIECES

Ogni pezzo celebra la bellezza e la grandiosità del mare e dei segreti delle sue profondità, ma anche il fascino, le movenze e la cadenza musicale delle onde. Le nostre collezioni prendono vita grazie ai rivestimenti in madreperla che riproducono i riflessi del sole sull'acqua, simili a quelli di un'onda che si infrange sulla battigia. Il nostro amore per il mare vive in pezzi unici che ne celebrano il fascino e la profonda attrazione che da sempre esercita sulla mente umana, nutrimento per lo spirito che si sazia della sua Maestà.

Every piece celebrates the beauty and magnificence of the sea and the secrets of its depths, not to mention the charme, movement and musical sound of the waves. Our creations come to life thanks to mother-of-pearl finishes that reproduce the reflections of sun on the water, similar to waves breaking onto the shore. Our love for the seaside resides in unique pieces that celebrate the charme and deep attraction it has always impressed on human mindset, feeding the spirit that is filled with its magnificence.

METALLO, PIETRA E MADREPERLA PER UNA COLLEZIONE CHE UNISCE ETERNITÀ E FUGACITÀ

METALS, STONES AND MOTHER-OF-PEARL IN A COLLECTION
THAT COMBINES ETERNITY AND TRANSIENCE

Questa straordinaria serie di fibbie per cintura fonde con maestria il freddo metallo con i tesori che il mare gentilmente consegna sulla sabbia: pietre lisce e lucenti e preziose madreperle. Ispirati alle infinite sfumature delle acque dell'oceano, i piccoli gioielli della collezione sono realizzati con un occhio di riguardo al colore: le pietre utilizzate, incastonate con cura, presentano sfumature che vanno dai toni dell'azzurro al verde smeraldo, dall'oro della sabbia al nero vulcanico. Il risultato è un sapiente equilibrio di forme e di tinte, che ripropone quello naturale.

This outstanding range of the belt buckles expertly combines cold metal with treasures that the sea kindly leaves on the sand-smooth stone and precious mother-of-pearl. Inspired by the endless shades of the ocean's water, the small treasures in this collection have been made with a focus on colours. The carefully set stone has colours that go from shades of the blue to emerald green, and sand colours that change from golden to volcanic black. The result is a clever balance between colour and shape that reflects the natural world.
